household garbage  
and bulk collection 2010

Dear Resident:

We all have a stake in Keeping Clarkstown Clean. That's why our Town has developed a comprehensive program for Household Garbage Collection, Bulk Pick-Up, Yard Waste, and Recycling.

This mailer explains the "what," "how," and "when" for Household Garbage and Bulk Pick-Up. Separate mailers will explain the rules for the Recycling Program and Yard Waste.

We have also provided phone numbers for additional information or questions about other waste disposal programs. Following the simple rules will help all of us do our part in keeping our Town clean.

Thank you,

Alexander J. Gromack  
Town Supervisor

# household garbage collection

Household garbage is collected twice a week, every week (Monday & Thursday, Tuesday & Friday, or Wednesday & Saturday). Each home (1, 2, & 3 family only) is issued one official garbage collection sticker by the Tax Assessor's Office. The sticker must be placed on the household garbage container. Additional stickers are available for a fee.

Our contract with the carters provides for 'side door pick-up' up to 125 feet from the street, or you may place your garbage containers on the curb. If you choose to place your container at the curb for pick-up, you are responsible for removing the container from the curb after pick-up.

## a few simple rules

1. Only containers with stickers will be picked-up.
2. Each container must be covered.
3. Containers cannot exceed 48 gal. or 60 lbs. of garbage.
4. All garbage must be bagged and placed inside the covered container.
5. Covered containers should be placed outside the night before the scheduled pick-up.
6. Remove the empty container from the curb after each collection.

You may want to keep this mailer handy for your reference. Following our simple rules about Bulk Pick-Up and Household Garbage Collection will help you get the most out of these services.

## **2010 Bulk Pick-Up Information and Schedule**

Our Town's Bulk Pick-Up program helps homeowners dispose of the household items that appear on the Acceptable Household Bulk List. Items must be brought to the homeowner's curb no earlier than the weekend before the Bulk Pick-Up Schedule and no later than the night before the scheduled pick-up. Loose items should be bagged or bundled.

Contractors who work in your home are responsible to remove all debris that results from their work.

## **Acceptable Household Bulk List**

Single unit of refrigerators and freezers (doors removed), dishwashers, washing machines, dryers, water heaters, and room air conditioners.

— and —

Limited quantities of: sofas (1), chairs (2), storm/screen windows (10), interior doors (4), reasonable quantities of tightly rolled and tied carpeting, padding, scrap lumber, paneling, or linoleum in neat stacks no more than 6 feet long, 5 feet wide, and 3 feet high.

— and —

No more than (2) 5 feet bundles less than 50 lbs. each of do it yourself or home remodeling debris such as electrical or plumbing fixtures, plaster board, wall board, or ceramic tiles.

## bulk pick-up schedule

Find the day of the week below when your regular household garbage is picked-up and you will find the date of your monthly Scheduled Bulk Pick-Up.
