

November 24 1703

157

We the Commissionsers of the Highways of the precinct of
 Haverthwaite did lay out a Road as followeth beginning at the
 High way that leadeth from Clarks town to old Tappan on the
 Line between the Township of Tappan and precinct of
 Haverthwaite from thence on said line west to a beach
 tree the corner of the thousand acre lot on a road laid out
 by the Commissionsers of the high way for the town ship
 of Tappan again entering again our precinct near
 Joseph Wilmurts from thence northward by to Jacobus
 & Daniel Dflark to the westward of the house at the top
 of a former Lane from thence westerly to a brook called
 morshunk to a former road from thence on said road
 to a School house on the road on the Road which
 leads from Clarks town Church to middle town a privilege
 being allowed to Daniel & Jacobus Dflark for three
 years & gales for the term of eighteen months

Cheng Wood Town Clerk

Haverthwaite precinct Nov. 7 1702

We the subscribers Commissionsers of the
 High Way do hereby Certify that we have in answer to the prayer of
 our petitioners laid out a Road at Mesanahua Beginning on
 the Jersey line at the High way near Joseph Horn from thence North
 westerly along the Old Road as the Trees are marked from thence to the
 Road that leadeth to the House of Jutta bush from thence Northwardly
 as the trees are marked to the road that passeth the House of John
 Goutiers from Easterly to his house then Northwardly to the west
 ward of his house by a tree marked and so on Northwardly to
 John Johnsons & Horns Cuts passing between their fence
 to the woods thence Northwardly as the trees are marked & so
 on to the road that leads to John Roberts
