Perimeter Search Request

Town of Clarkstown * Office of the Assessor

John J. Noto, Jr., CCD

Assessor

Date: _____

I hereby request that the Assessor's Office perform a perimeter search based upon the following:

Subject parcel ID/Address _____

Distance from subject _____

I understand that the Town cannot guarantee that the GIS system does not contain any errors or omissions with respect to lot numbers or that the property owners listed are the current owners as would be determined based upon a search of the property owners on file in the Rockland County Clerk's Office.

In addition, I understand that the Town will provide me with a list of all properties, one (1) set of mailing labels and, where possible, a map highlighting those properties meeting the above criteria. The fee for this service is \$100.00.
