Dear Participants,

In an effort to recognize outstanding commercial properties, the Clarkstown Town Board created the Pride of Clarkstown Committee in 2005, consisting of residents, civic members and business individuals. We hope you or your organization will nominate a property in each of the eight categories. Please use a separate nomination form for each category. Please note this nomination is for commercial properties only and for the exterior of the building/property.

The nomination forms are due by **Tuesday, October 9, 2020** and the selections will be made in November. Awards presentation will be at a February Town Board meeting.

Prior award recipients are not eligible for nomination (see attached list); however, please feel free to re-submit previously nominated properties.

Both the Town Board and the Committee appreciate your help in this process. It is our hope that by honoring our most attractive businesses, we will encourage and inspire others in our community and give us good reason for "Pride in Clarkstown."

Please call or email Paula Tobin if you have any questions. Her contact information is available at the top of this page.

Sincerely,

Scott Milich, Chairman
Pride of Clarkstown Committee
